

## **Privacy Policy**

MyDiagnostick Medical BV respects the privacy of the users of its website and ensures the confidentiality of all the personal data you supply us with. We will use your data to process the orders as quickly and efficiently as possible. We will only use this data for any other purposes with your permission. MyDiagnostick Medical BV will not sell your personal data to other parties and will only make the data available to other parties if they are involved in the fulfilment of your order.

### **MyDiagnostick Medical BV uses the collected data to offer the following services to its clients:**

- If you place an order, we need your name, e-mail address, delivery address and payment details to fulfil your order and keep you updated on the order status.
- To make it as enjoyable as possible, we save your personal details and the data related to your order and the use of our services.
- We will use your e-mail address to send you the newsletter informing you about the development of MyDiagnostick and the website. If you do not wish to receive this anymore, you can unsubscribe from our newsletter.
- If you place an order with MyDiagnostick Medical BV, we will save your data on a Secure Server. You can enter a user's name, a password and your name and address, phone number, e-mail address, delivery address and payment details. This way you do not have to fill in this data with each new order.
- Data about the usage of our site and the feedback that we receive from our visitors help us to further develop and improve our website.

### **MyDiagnostick Medical BV does not sell your data**

MyDiagnostick Medical BV will not sell your personal data to other parties and will only make the data available to other parties if they are involved in the fulfilment of your order. Our employees and the other parties we rely on are obliged to respect the confidentiality of your data.

Should you have any more questions about the Privacy Policy of MyDiagnostick Medical BV, do not hesitate to contact us. Our client service will help you if you need any information about your data or if you wish to change it. Should our Privacy Policy be in need of some changes, you will always find the most recent information on this page.
